

DOLOMITE | JAZZ

New generation...

DOLOMITE JAZZ is the new generation rollator that goes all the way. A stylish design with smart functions. Carefully thought-out, well designed components make the **JAZZ** a winner.

Continuous vertical adjustment and ergonomic handle with built-in brake system that surpasses its competitors. Positioning marks on handlebars to facilitate height adjustment.

Foldable

The Spacious basket folds with the rollator. Simple and balanced folding with help of the seat strap. Easy to handle. Stands in folded position and occupies a small space when stored. Nice soft seat for resting.

Thanks to welded aluminum frames, the **DOLOMITE JAZZ** is stable and steady throughout its service life.

Adaptable to individual needs

DOLOMITE JAZZ is available in two different heights. Choose the higher seat height when having difficulties to change from sitting to standing. Easily and infinite adjustable handle which can be set at precisely the right height.

Features and Options

Tray

For transportation of a cup of coffee or similar. Can be moved to a table.

Art no. 1452301

Basket

Spacious basket made of durable material which folds with the rollator. Max load capacity 5 kg.

Art no. 1452336

Kerb-climber

Integrated "pedals" that simplifies passing kerbs or similar.

Features and Options

Brake booster

Provides extra braking force for weak hands.
Art no. 12651

Slow-down brake

A safety feature preventing the walker from rolling away. Perfect for gait training and one handed solutions.
